

Many exciting activities and adventures await Eagle Mount participants in summer. We are confident that the day camper will be very pleased with the Eagle Mount Day Camp experience. The goal each day of summer day camp activities is to allow young campers to discover hidden talent, gain self-esteem and acquire new skills in a safe and fun environment.

Camp activities operate from Tuesdays, Wednesday, and Thursdays from 11:00pm to 3:00pm, some times may vary, we encourage all parents and campers to look over the summer calendar for each day of activities. Drop off and pick up for all camps will be at the designated site on your calendar. Scheduled day camp activities are subjected to change; you will be contacted the morning of the activity if camp if cancelled.

If you sign up for an activity and you are unable to attend because of illness or other things have arisen, please call our office and let us know. 454-1449

In order to have a fun and safe camp we need to know the dates and a little more personal information about your child participating in the Children’s Day Camp Activities.

Please fill out the form below, this will assure your child’s spot for the day of the activity and it will help us with adequate staffing. If you show up to an activity that you have not marked, we have the right to refuse your child due to child-staff ratio. Thank you.

Please mark with a check on the specific day your child will be participating in camp.
