

Tippy Toes & You ...

- Encourages the development of secure relationships.
- Provides opportunities to explore a variety of sensory and motor skills.
- Provides social and emotional development for children to interact with each other and express themselves freely.
- Encourages movement for all abilities to increase their memory and ability to communicate.
- Provides parent/caregiver the opportunity to enjoy their child for who they are not for what the are diagnosed with.

Tippy Toes

Movement, Music, & Play

**Creative Movement
for Children with
Special Needs**

Tippy Toes - Movement, Music, & Play

Tippy Toes is a physical session for both parent and child. By exploring our child's movement patterns we enrich our understanding of their world and develop new ideas of communicating and supporting them on their journey.

Tippy Toes program focuses on:

- Creative movement taught through rhyme and chanting games,
 - musical instrument playing,
 - exercising movement patterns for brain growth,
 - working with props,
- enjoying your child for who he or she **is** and who he or she is **becoming**.

Class Schedule

Infants

- Tuesdays
- 11:00 - 11:45 a.m.

Waddlers/Toddlers

- Fridays
- 10:30 - 11:30 a.m.
