

EAGLE MOUNT GREAT FALLS SPONSORSHIP OPPORTUNITIES

WHAT IS EAGLE MOUNT GREAT FALLS?

Eagle Mount was established in Great Falls on November 1, 1990, by a small group of individuals with a vision of an organization that would provide opportunities for individuals with disabilities to actively participate in recreational activities.

OUR MISSION

Eagle Mount Great Falls mission is to provide therapeutic and recreational activities for children, adults and veterans with physical, mental, emotional, or behavioral challenges, striving to improve the quality of life for them and their families.

WHY SUPPORT EAGLE MOUNT GREAT FALLS?

In the blink of an eye, any of us could have our lives changed forever. Whether someone is born with a disability or acquires a disability; through an illness, accident, act of war, or simply the aging process, coping with these life changes can be extremely difficult.

We believe that it takes a whole community to build an organization like Eagle Mount. People with disabilities have the desire and need to participate in recreational activities. Our staff and volunteers have the passion to fulfill their need, but it takes people believing in our organization enough to provide funding that makes this circle complete.

Because many of those we serve face financial hardships, our services come at little to no cost to our participants. The fees we charge cover 8% of the program cost; as a result we are challenged to find the funds to cover the other 92%. Eagle Mount has never turned anyone away due to their inability to pay.
