Sponsor an Equine Hero

What We Do:

Eagle Mount Great Falls provides therapeutic recreation for children and adults with physical, developmental, behavioral and/or mental challenges, striving to improve the quality of life for them and their families.

Our Equestrians:

The Eagle Mount Equestrians became apart of Eagle Mount Great Falls the summer of 1992. The program was primarily a recreational program with therapeutic goals. Since then, the size and scope of the program has dramatically increased to many different parts-

- *Recreational Riding*
- *Summer Horse Camp*
- *Non- riding activities*
- *Equine Assisted Learning*

Our Horses:

Our horses are the very core of what we do in our horsemanship program. These amazing equines have the ability to put the participants needs ahead of their own. They often carry participants who have significant balance challenges, do not understand their sensitivity to touch or cannot clearly communicate their needs. Our horses also have special bonds with those with PTSD or other emotional or mental challenges. They are our hero's.

The Eagle Mount Equestrian center gives our equine hero's a safe home, gentle hand and a life purpose. Our training and riding methods are very unique and based on PATH Intl. (Professional Association of Therapeutic Horsemanship) guidelines.

Please consider sponsoring our Equine Hero's. By simply choosing to sponsor one of our horses you can further ensure the quality care to our hero's and help guarantee horsemanship opportunities to both adults and children who call Eagle Mount Great Falls their special place.
