REGISTRATION CONTINUED

TRAINING REGISTRATION

To volunteer, we ask that you attend one of our scheduled trainings. Please indicate the clinics you will attend and put a reminder in your calendar. We will send reminder emails/calls a few days before the clinics, but we expect you to remember which clinics you are planning to attend. If you are learning a new skill, then we ask you to come for two days of training. You only need to attend one of the training if you are just brushing up on previous skills. Dryland training will focus on behavior management, disability awareness, program policy and give you tools to better your volunteer experience.
